Young Conservatives of Texas

Rate the 77th Texas Legislature

Young Conservatives of Texas is an independent, non-partisan youth organization dedicated to the preservation of individual liberties and freedoms through limited government.

YCT is an organization that enables college student men and women the opportunity to participate in the political process. YCT believes that there is no better way to educate and train young citizens as to the working of our government than to have them directly participate in the process.

Since 1975, YCT has prepared its ratings of legislators as a public service to the citizens of Texas. The purpose is to better inform them of the activities and performance of their representative lawmakers. YCT has selected the following bills which it believes accurately serve to gage a legislator's philosophy in light of YCT's Statement of Principles.

Over the past twenty-four years, the YCT ratings have earned the reputation as the best and most reliable measure of determining who is conservative in the Texas Legislature. Our ratings are unique in that YCT is the only organization in Texas to produce ratings of a state legislature for the last 26 years.

The YCT ratings cover an important period in Texas history. Since our first ratings, we have witnessed dramatic changes in Texas politics. During the past 26 years, Texans have seen the emergence of a viable Republican Party and the virtual disappearance of a conservative presence in the Democratic Party. These ratings serve to record the history of Texas lawmaking. The YCT ratings should not be construed as an official endorsement of any party or official.

(RV 138, p 1166, 4/17/01).
- 2) **HB 236.** Passage of the bill prohibiting the execution of the mentally retarded. HB 236 passed 80-56-1. YCT-NO on passage of HB 236. - 5) **HB 533.** Passage of the bill that would raise the Texas minimum wage rate to the federal level. HB 533 passed 78-66-1. YCT-NO on passage of HB 533. YCT opposes raising the minimum wage rate because the minimum wage represents an undue government interference with the free market and the right to contract and each incremental increase reduces the total number of jobs available. (RV 93, p 918. 4/2/01).
- 6) **HB 587.** Motion to table HB 587, the hate crimes bill. The motion to table HB 587 failed 60-84-1. YCT-YES on motion to table HB 587. - 8) **HB 757.** Passage of HB 757, creating an oversight committee to ensure the Office of Minority Health and Cultural Competency eliminates health and health access disparities in Texas. HB 757 passed 76-66-1. YCT-NO on passage of HB 757. This legislation increases the amount of governmental involvement in social issues and creates a redundant state organization. (RV 59, p 777, 3/20/01).
- 9) **CSHB 1082.** Passage of CSHB 1082. This bill prohibits employment discrimination in employee compensation. CSHB 1082 passed 62-56-1. YCT-NO on passage of CSHB 1082. There are already federal laws prohibiting discrimination in the workplace with regards to employee compensation. No new legislation is needed. (RV 295, p 1984, 5/4/01).
- 10) **HB 1094.** Motion to table Amendment # 1 by Wohlgemuth. This amendment would allow for the creation of the state prescription drug program for certain Medicare beneficiaries, proposed by HB 1094, to only be created if federal funds were available for the program. The Wohlgemuth amendment was tabled 80-63-2. YCT-NO on motion to table. This program will cost the state of Texas an

- 13) **HB 1621.** Motion to table HB 1621. This bill would require mass transit authorities to appoint board members who represent the transportation disadvantaged. The motion to table HB 1621 failed 61-78-2. YCT-YES on motion to table HB 1621. YCT does not support affirmative action in hiring practices. (RV 69, p 829, 3/22/01).
- 14) **HB 1641.** Motion to reconsider the vote by which HB 1641 passed. HB 1641 would provide certain "underrepresented" minority and rural students an equal opportunity to enroll in or receive a competitive scholarship for a graduate or professional degree. (RV 111, p 978, 4/4/01).
- 15) **HB 1853.** Passage to engrossment of HB 1853. - 16) **HB 1959.** Passage to engrossment of HB 1959, the bill that would allow for the state of Texas flexibility in determining how to count the household income of certain ineligible legal immigrants for eligibility in the food stamp program. HB 1959 passed 78-59-2. YCT-NO on passage of HB 1959. If the federal government does not recognize certain immigrants as eligible for food stamps, then the state of Texas should not count their income for allotting food stamps. (RV 416, p 3131, 5/11/01).
- 17) **HB 2017.** Motion to suspend the three-day rule on HB 2017. This bill would require that an area located in a city's extraterritorial jurisdiction (ETJ) be allowed to vote for the officials who make an application of an adoption, change, or referendum within the city and ETJ or to vote on each ordinance individually. If the citizens within the ETJ are not allowed this vote, this bill authorizes their removal from the ETJ of that particular city. The motion to suspend the three-day rule failed 75-31-3 (need 4/5 vote in the House to suspend). YCT-YES on motion to suspend the three-day rule. YCT believes that cities should treat their surrounding neighbors within their ETJ's fairly and allow them to vote for the leaders that pass ordinances that affect the ETJ area. (RV 409, p 3082, 5/10/01).
- 18) **HB 2048.** Motion to suspend the three-day rule to bring up HB 2048 for a vote on the House floor. HB 2048 abolishes capital punishment of minors. The motion to suspend the three-day rule failed 71-42-2 (requires 4/5 vote of the House). YCT-NO on motion to suspend. - 20) **HB 2575.** Motion to concur in Senate amendments on HB 2575 on the bill that raises the cap on student services fees \$100 per semester for state universities. This bill would allow for state universities to charge students up to \$250 per semester instead of the previous \$150 per semester on student services fees. The House concurred on the Senate amendments 125-10-2. YCT-NO on concurring on Senate amendments. Students are already spending enough on college without having more mandatory fees charged to them by universities. These fees also go to support many liberal student services that YCT does not agree with on principle. (RV 584, p 4371, 5/25/01).
- 21) **HR 1233.** House Honorary Resolution honoring State Representative Tommy Merritt. Certain State Representatives asked that their names be removed from HR 1233 after passage. - 22) **CSSB 49.** Motion to table the CSSB 49, which would have set up penalties for persons convicted of drug- and alcohol-related crimes who receive financial assistance by the state of Texas. The penalties inflicted by this bill would have been only a slap on the wrist to those convicted of these crimes. CSSB 49 bill was tabled 81-58-2. YCT-YES on motion to table CSSB 49. YCT believes that no persons convicted of drug- or alcohol-related crimes should be given financial assistance under any circumstances. (RV 508, p 3902, 5/22/01).
- 23) **CSSB 512.** Passage of CSSB 512 to third reading. This bill would allow for the appointment of a committee to manage the Permanent School Fund instead of the State Board of Education. A point of order was raised by Representative Delisi stating the unconstitutionality of this bill because the State Constitution gives the State Board of Education sole authority to manage this fund. CSSB 512 passed to third reading 76-64-2. YCT-NO on passage of CSSB 512. This bill would establish an appointed advisory committee to manage the permanent school fund that is not accountable to voters and is unconstitutional under the state constitution. (RV502, p 3858, 5/22/01).
- 24) **CSSB 1156.** Motion to table Amendment # 10 by P. King. YCT believes that municipalities should incorporate these improvements into their current city infrastructure budgets instead of passing new forms of taxes on its citizens. (5/23/01, p 3143)
- 7) **SB 85.** Motion to suspend the Senate rules to bring up SB 85 on the Senate floor for consideration. SB 85 gives juries a three-option life without parole sentence for certain crimes.
