⁵ Conservative Texas Budget. YCT is a coalition member. The 2020-21 Conservative Texas Budget limits growth of all Texas state government spending to the rate of population growth plus inflation for the last two fiscal years. \$156.5B State Funds, \$234.1B All Funds, and 8% Increase.

⁶ Paycheck Protection Act. Over two million Texans voted in favor of non-binding ballot Proposition 3 in 2016 Republican Primary Election leading to its roughly 83% to 17% passage.

⁷ YCT believes that the issue of the expansion of gambling has little to do with liberty and everything to do with increasing the size and scope of government. As such, YCT opposes the regulated practice of gambling in the state of Texas. Regulated gambling would create large, expensive bureaucratic agencies that would grow government exponentially and cost the state billions of dollars.
